PROLOGUE

These are the last of my drawings that were done during my time of being---
-I call lost in the world of telling stories through drawings.

I must say I am still mystified as to where the ability to draw came from. I had never before thought I had any drawing ability. And I might add, I feel as if that ability is now gone.

I certainly feel that, wherever it might have come from, it was special gift at a time when life was not easy. A time-- when many days were filled with uncertainty, sadness and fear.

It gave me energy and motivation as it fired up my adrenal. It gave me the realization that joy and happiness could be found in the deep valleys or our lives.

All of you have the book "The Adventures of Ven" so you know where the character "Ven" came from.

From the drawings in the book, I took the one drawing pictures that I used to tell the story and elaborated on it. Elaborated by adding other drawings telling the story in detail.

Many of the stories are from the poem----"When I grow old"

Other stories are from Ven & Star episodes.

Laugh with me as you look at and read the book.

Smile with me when you remember the joy that I found in putting this together.

THE POEM
WHEN I GROW OLD

For those of you who might not be familiar with the poem I am including it in the book.

**WHEN I AM AN OLD WOMAN I SHALL WEAR PURPLE
With a red hat which doesn't go, and doesn't suit me.
And I shall spend my pension on brandy and summer
gloves
And satin sandals, and say we've no money for butter.
I shall sit down on the pavement when I'm tired
And gobble up samples in shops and press alarm bells
And run my stick along the public railings
And make up for the sobriety of my youth.
I shall go out in my slippers in the rain
And pick the flowers in other people's gardens
And learn to spit
You can wear terrible shirts and grow more fat
And eat three pounds of sausages at a go
Or only bread and pickle for a week
And hoard pens and pencils and beermats and things
in boxes**

I WANT SOME BUTTER

From the poem **“When I Grow Old I will wear purple and a red hat”**

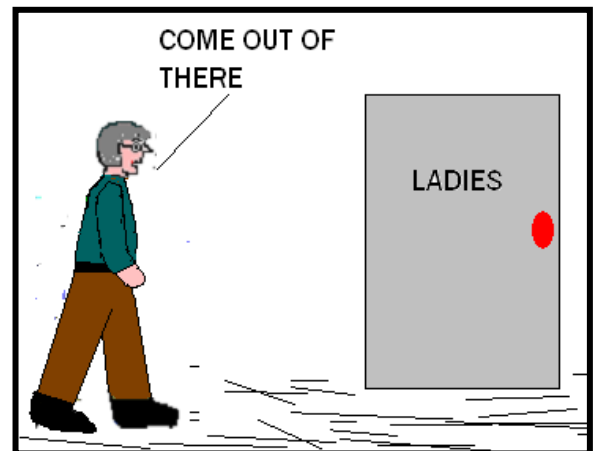

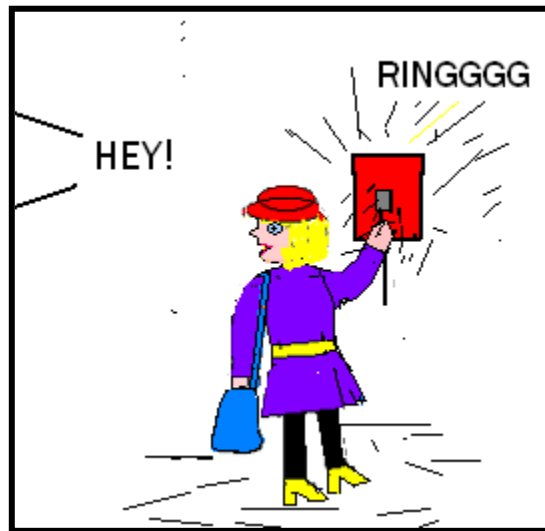

“I will spend my pension on Brandy”

“I will say I have no money for butter”

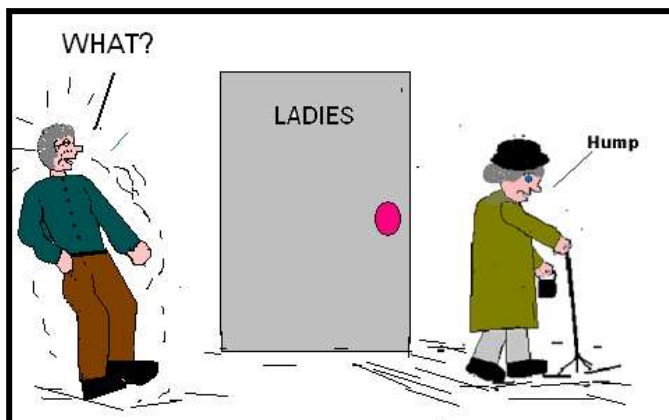

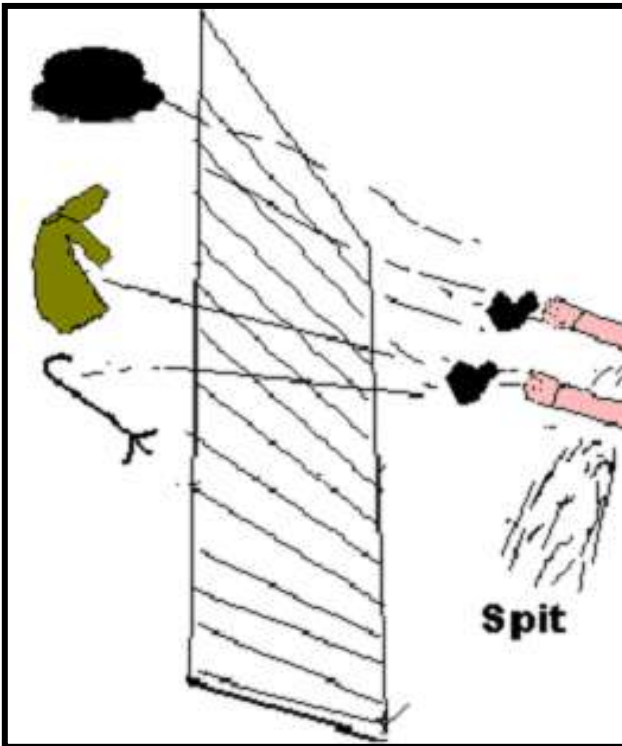

AND PRESS ALARM BUTTONS

11GOING TO MARS STORY

This was the year that Arkansas beat LSU

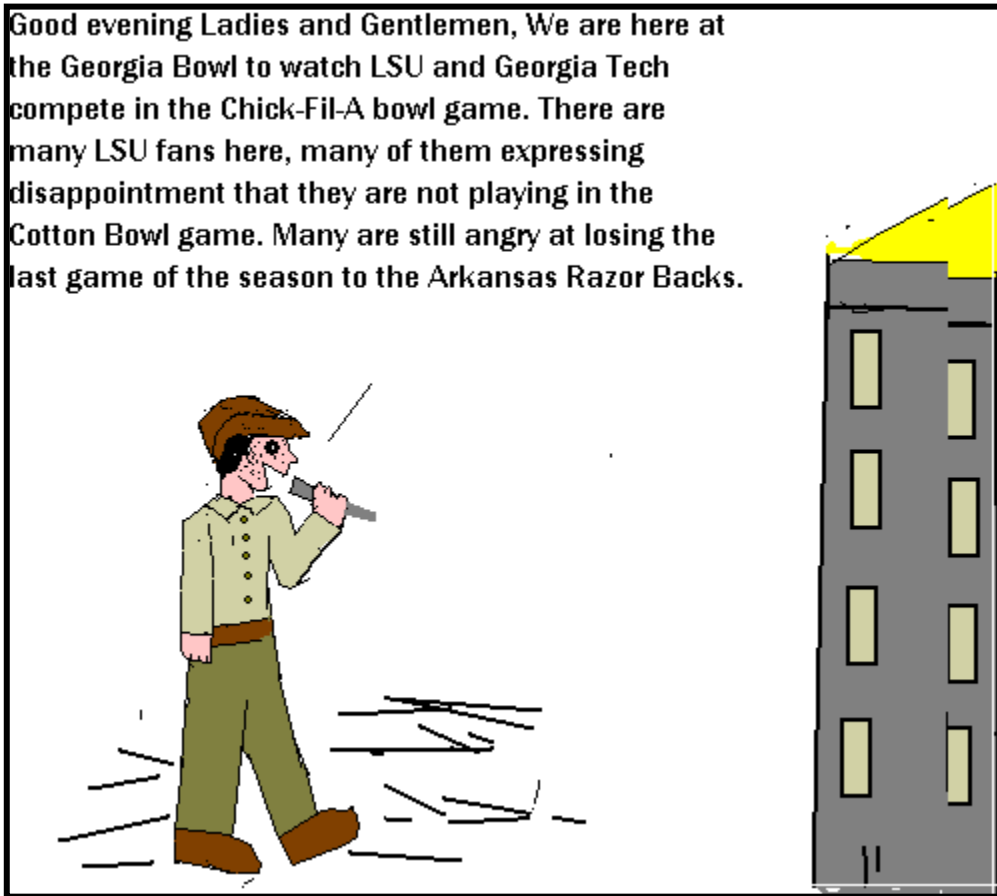

For you aggravating Arkansas fans who have been wondering how I felt and still feel after the LSU, Arkansas game.

I think I will keep my mouth shut and let my cartoon character (Ven) tell you how we feel.

CHICK – FIL- A BOWL GAME

Good evening Ladies and Gentlemen, We are here at the Georgia Bowl to watch LSU and Georgia Tech compete in the Chick-Fil-A bowl game. There are many LSU fans here, many of them expressing disappointment that they are not playing in the Cotton Bowl game. Many are still angry at losing the last game of the season to the Arkansas Razor Backs.

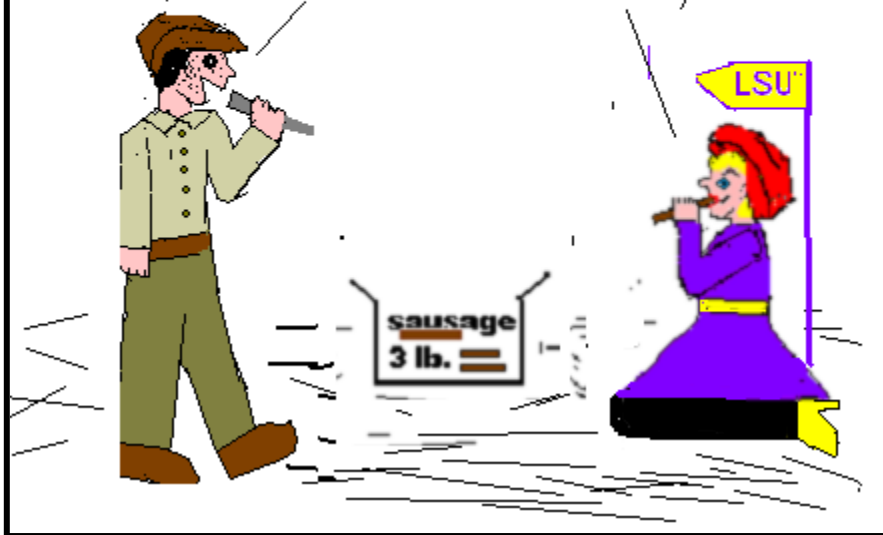

I see an LSU fan sitting over here eating something
Let's go over and talk with her.

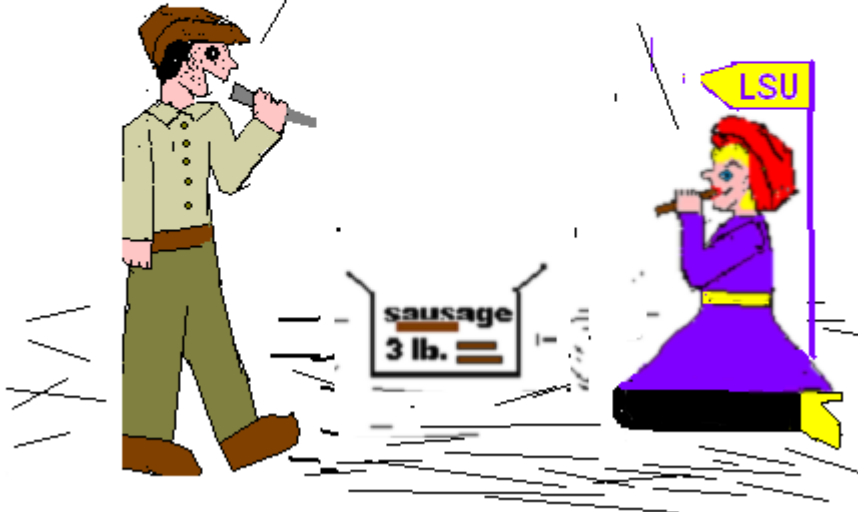

Lady the game is starting
why are you sitting out here
on the sidewalk? Are you
not going inside the
stadium?

No, I am not going
inside. I'm gonna
sit here and eat
three pounds of
sausage,

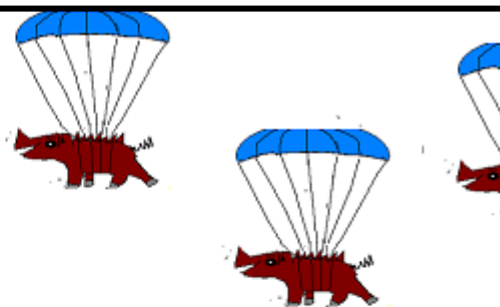

Three pounds of Sausage?
Why are you eating three
pounds of saugage?

Sausage, Pork, Hogs,
Razorbacks.—If you can't
Beat'um, Eat'um.

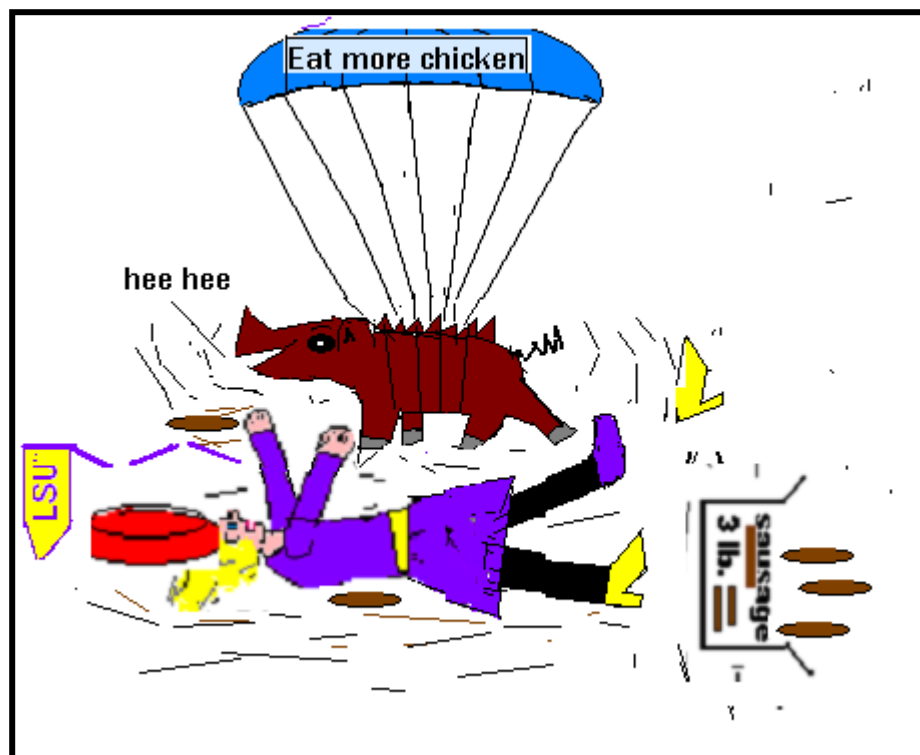

Oh, My. It looks like something is parachuting down headed for the stadium. It looks like pigs. What is this?

One looks like it will land outside the Stadium. Oh, My, Goodness!!

VEN GOES TO COURT

We are here in the court room where the judge is about to hear the case of one LSU Fan against the Arkansas Razorback Team. The lady claims that a Razorback came down from the sky and mauled her. Here is the judge now, let's listen.

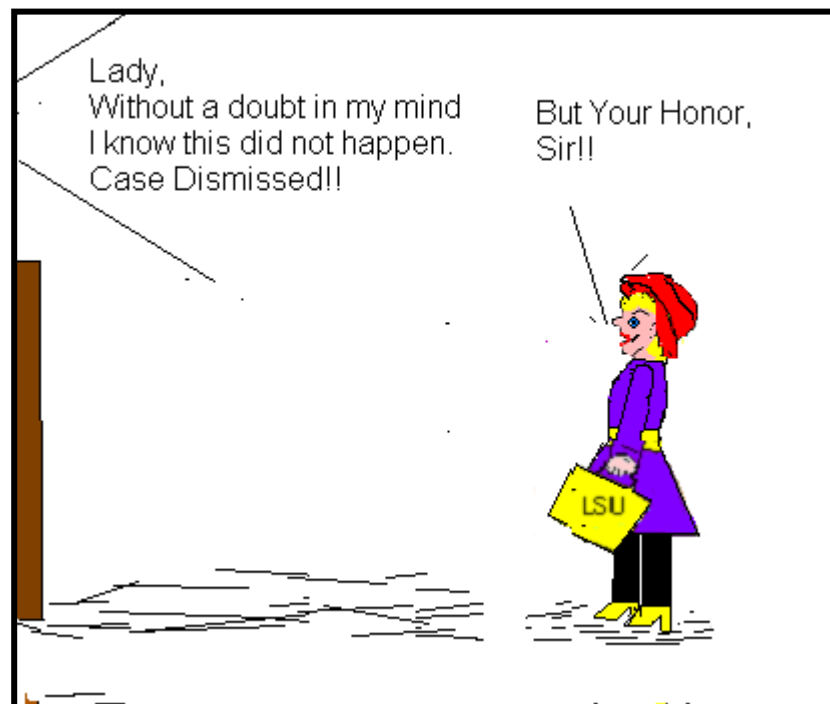

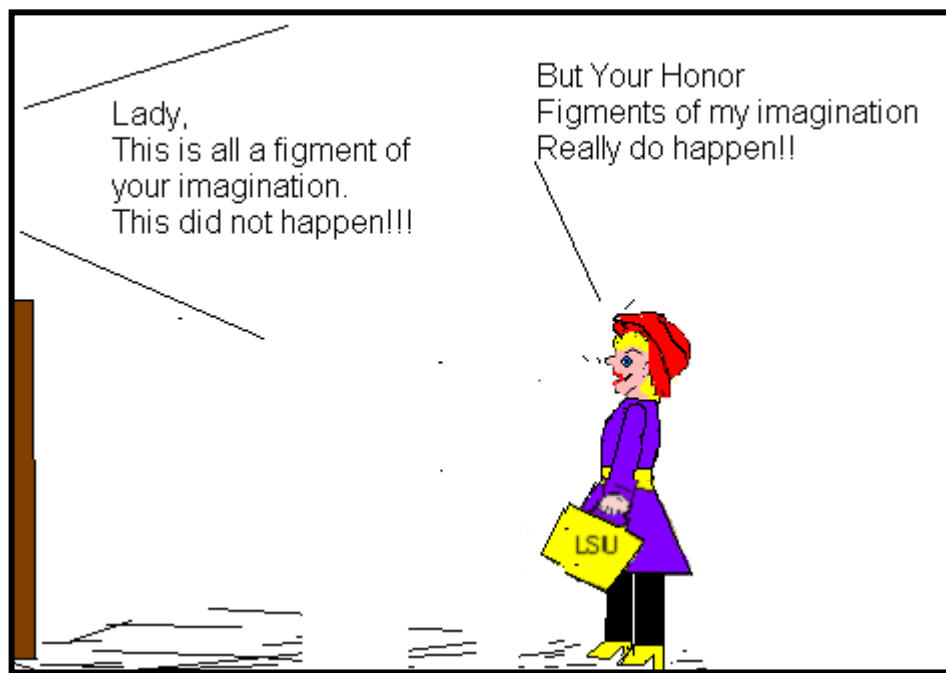

what!!

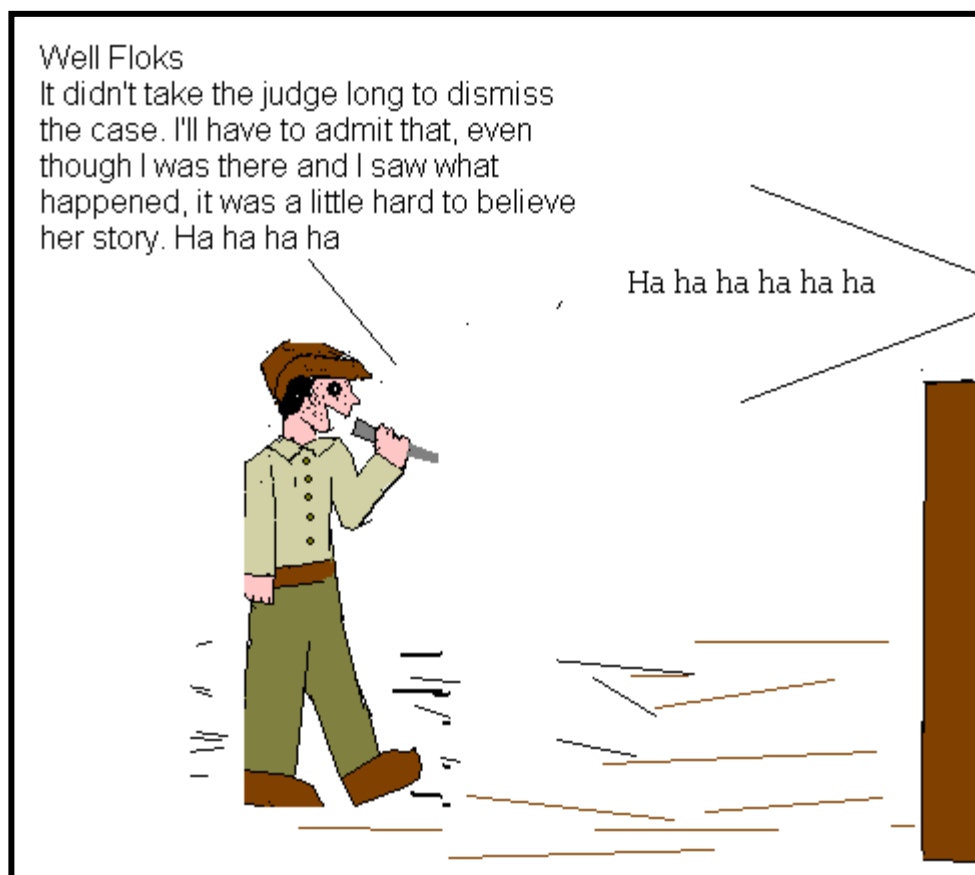

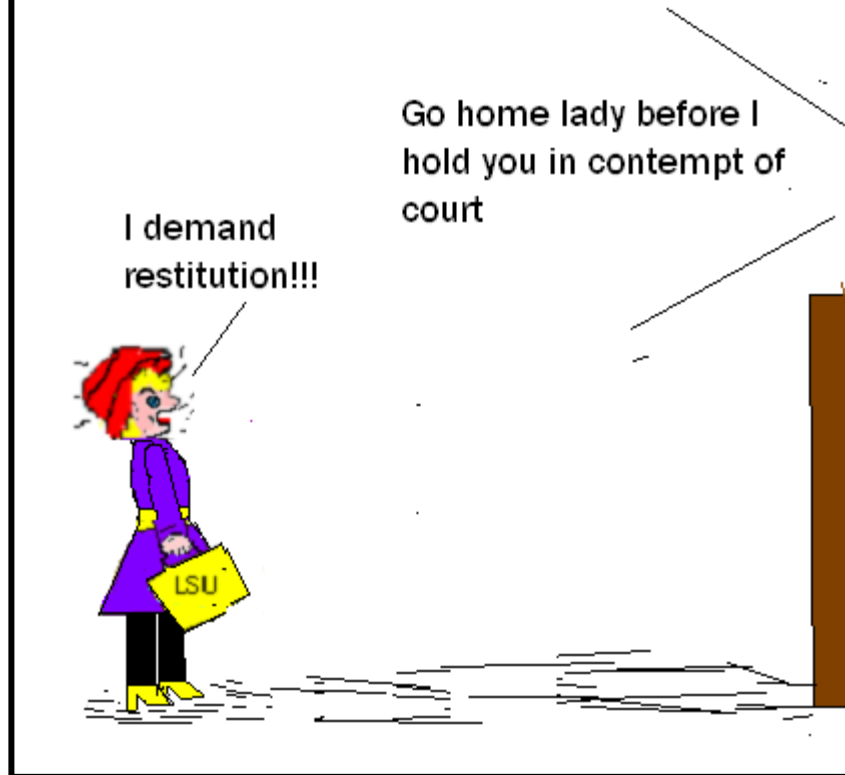

Yes Sir, a Razorback came down from the sky and landed on me

Excuse Me Lady,
How do you feel about
the Judge's decision?

As soon as I saw the Judge, I
knew he would not be fair. I
knew he would discriminate
against women. This is
America, I demand My
rights!!

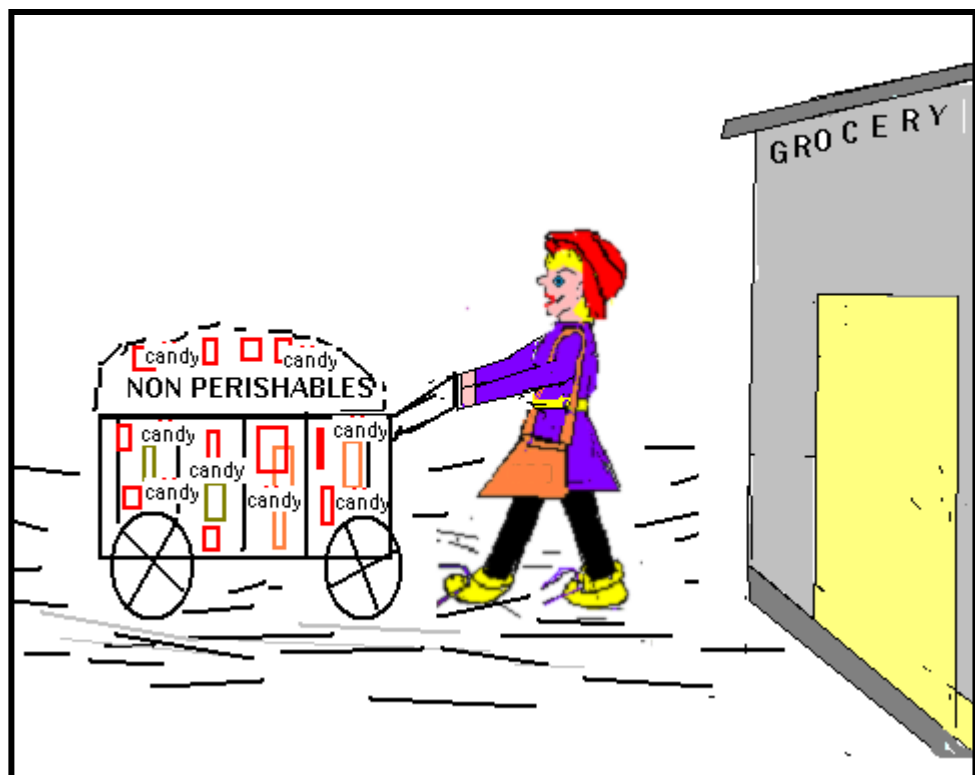

What are your plans now?

I plan to go home and teach the LSU Tigers how to fly!!!
